

# 5<sup>th</sup> EIBA Early Career Network (EIBA-ECN) Paper Development Workshop (PDW)

*The 5<sup>th</sup> EIBA-ECN-PDW pre-conference event will be held at EIBA 2019 Leeds  
on 13<sup>th</sup> December!*

Dear Colleagues,

The **EIBA Early Career Network (EIBA-ECN)** was launched at the EIBA 2014 conference in Uppsala. Our vision is to establish a forum and cooperation platform for young EIBA scholars after they obtain their PhD. EIBA-ECN scholars are brought together to share ideas, build up networks with like-minded individuals, and discuss research projects with a view to the possibilities of cooperation & collaboration.

To promote the idea, this year's EIBA Annual Conference features the **5<sup>th</sup> EIBA Early Career Network Paper Development Workshop (EIBA-ECN-PDW)** in Leeds on **13 December 2019!**

If you are interested in presenting your paper and receiving relevant feedback – or perhaps helping others to develop their research projects – *please register for the 2019 EIBA-ECN-PDW* by sending an e-mail to the event organizers at [bvlacic@porto.ucp.pt](mailto:bvlacic@porto.ucp.pt).

**The deadline for submissions is 2 September 2019.**

*Please attach a PDF of your paper to your e-mail* – and indicate whether you have also applied for the IBR-PDW, JIBS-PDW or JIBP-PDW pre-conference events. (Note that the PDWs are often held in parallel, so you may not be able to participate in more than one...)

The **EIBA-ECN-PDW** is targeted towards **young scholars** who have already obtained their PhDs (e.g., assistant professors, post-doctoral researchers, lecturers, etc.); therefore, only PhD students in their third or final year will be considered as eligible for this EIBA event.

ATTENTION: Those who would like to participate in the **5<sup>th</sup> EIBA-ECN Workshop** without making a presentation, please contact the event organizers via e-mail by **2 December 2019**.

NOTE: Participation in the **EIBA-ECN-PDW** is free-of-charge for accepted applicants; however, all participants (including non-presenters) must be duly and fully registered for the **EIBA Annual Conference** (this is a mandatory eligibility requirement – no exceptions).

We are looking forward to meeting you in Leeds this coming December!

**Tilo Halaszovich** (Jacobs University Bremen) &  
**Bozidar Vlacic** (Católica Porto Business School, Universidade Católica Portuguesa)
