ITINERARY

23 september 2017: Osimo, the Sibillini's Masterpieces Exhibition & the Conero Riviera.

Depart for this little tour to discover the artistic and natural beauties of the Conero and Sibillini area.

Pick up with GT bus at 09:00 at the "13th Interdisciplinary Workshop on Intangibles and Intellectual Capital"

English Guide Service throughout the tour

Arrive in Osimo, a small guided tour of the city.

Entrance to the exhibition "Sibillini's Masterpieces" 100 artworks from earthquake-hit area, for the first time seen together, find shelter in the historic palace of Osimo, which previously hosted the prestigious exhibition The Secret Rooms of Vittorio Sgarbi. This symbol-place of artistic beauty also becomes a place of conservation and restoration, another step to resume after the seismic events that hit the Marche last year.

We will move to Mount Conero, the pearl of the Adriatic Sea, and more exactly in Portonovo to enjoy a breathtaking view where the sandstone cliffs dive into the crystal clear sea. Here we will be guests of the renowned restaurant of Hotel Excelsior la Fonte, which will offer you a fish tasting menu with traditional recipes.

End of services and return to the University of Economics in the center of Ancona.
